**AMENDMENT SUBMITTED WITH REQUEST  
FOR CONTINUED EXAMINATION (RCE)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This Amendment is submitted in response to a Final Office Action in the above case dated August 11, 2006 ("Final Office Action") and concurrently with a Request for Continued Examination (RCE). In the Final Office Action, the Examiner rejected all the claims as obvious (35 U.S.C. §103) over cited art. On October 6, 2006, Applicants and Examiners held a phone interview discussing a proposed amendment to the claims. The Examiners indicated that the proposed amendments appear to distinguish over the cited art, but said further searching was needed and suggested Applicants submit the amendment in an RCE. See, Examiner Interview Summary, dated October 16, 2006. Applicants amend the claims herein as discussed during the phone interview and traverse the prior art rejections and submit that all pending claims 1-34 are in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.  
Remarks/Arguments begin on page 10.
